Since the year 2019, we are proud to share that the school has undergone a remarkable expansion in its infrastructure. This growth includes the addition of key facilities such as a basketball court, an open stage, a swimming pool, and air-conditioned hostel dormitories for both boys and girls. Notably, the year 2019 and 2022 marked significant milestones with the enhancement of facilities in our Kidzee section.

The kindergarten section follows the comprehensive Kidzee curriculum, ensuring a strong foundation for our young learners. Moving forward, we are excited to announce our adoption of the Sri Sathya Sai Vidya Vahini method of curriculum transaction for classes I and above. This progressive approach places a special emphasis on character building, aligning seamlessly with our vision for holistic education.
